OFFICE OF THE PRESIDENT, SANITARY BOARD

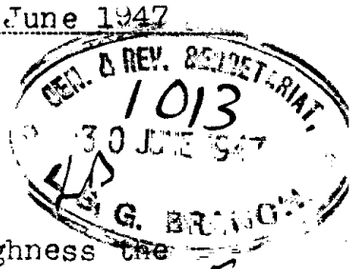
Dated 26th June 1947

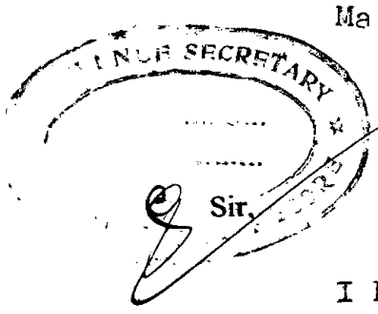
From

The PRESIDENT, K. G. F. SANITARY BOARD,
CHAMPION REEFS.



To

The Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department,
Bangalore.



Sir,

I have the honour to state that the Sanitary Board have at present been paying a monthly hire of Rs. 35/- (Rs. 30 plus Rs. 5/- temporary increase) to 17 private carts (double bullock carts) for the removal of rubbish and night-soil in the Board area. Now and again these men go on strike on the plea that the hire is not sufficient for them and that in other Municipalities such cart-hires are much higher. Even otherwise, this old method of removing rubbish by carts is not helpful in a huge area like this, especially in view of the fact that the process of removal is very slow and the Board has no hold over these men. So, the Board have , after a careful consideration of all aspects of the matter, decided to have a new lorry of their own with the necessary establishment, as in the case of some major Municipalities. From the date the motor lorry is put on the road, the services of ten out of the 17 carts will be discontinued. The remaining 7 carts will be continued for the collection and removal of rubbish etc., from conservancy lanes and small roads on which a lorry cannot pass. The saving that will result by the discontinuance of the ten carts is expected to be sufficient to maintain the motor lorry. I therefore request that Government may be pleased to accord sanction to the purchase of a motor lorry (new one) at a cost not exceeding Rs. 10,000/-. The cost on this account will be met out of the provision made under the K. G. F. Improvement Fund for Sanitary Conveniences (second stage). A copy of the

Board's resolution on the subject is enclosed for kind reference.

As regards the establishment required in this behalf, the subject will be placed before the Board and their resolution will be submitted for orders of Government in due course.

I have the honour to be,
Sir,
your most obedient servant,

PRESIDENT.
